Year 6 Transition at Braddy

Last week, Year 6 Year Adviser Miss Angela Nance along with Year 7 students, Ellie Patatoukos and Lachlan Greenwood, went to Bradfordville Public School as part of the Year 6 transition program. This program begins Year 6's formal move from Primary School to High School. Over the coming months students from all our partner primary schools will attend the High School. Good luck Miss Nance!

A Star In The Making

The trip to Sydney for the Opera House performances was fun, tiring, enjoyable and a great experience. Our ensemble had many rehearsals that paid off when the group of 70 performed 'Prince Ivan and the Grey Wolf', a huge piece composed by Tracy Burjan, to thousands of people.

Having a solo part was amazing and I am so grateful for being able to participate in the concerts for five years now.

Goss From The Boss

As we go to press, our senior boys relay team are competing at the NSW combined High Schools carnival at Olympic Park. However they perform, I have no doubts that they will represent the school with great distinction. I would like to thank Mr Dunn for his tireless work in preparing the team and wish them great success.

One of the great strengths of our school is the diversity and acceptance of all who attend. Last week a group of students were very disappointed in the actions of 2 other students in their dealing with Ms Guo. This group made it their business to support her and seek help. What a wonderful advertisement for the school! Ms Guo gives enormously to the culture of the school and the support gained is a reflection of the absolute majority of students. I would like to thank these students on the manner in which they pursued this issue!

Year 12's time at school is drawing to a close. After 13 years they have (almost) successfully navigated the pitfalls of Primary school and then adolescence. Year 12 well be in classes until Period 6 on Tuesday 17th September. After that, they have negotiated a 3 day celebration that includes raising money for local charities. I encourage them to utilise this time very carefully and see their teachers as they complete their HSC studies.

Year 11 have started their final exams before entering Year 12. Hopefully they are well prepared and will have great success. I look forward to their HSC start in Term 4.

CHARIOTS OF FIRE was a 1981 British history drama movie. It was a very good movie based upon four British runners who went to the 1924 Olympics held in Paris, France.

A scene in the film recreates the **Great Court Run** in which the runners attempt to run around the perimeter of the Great Court at **Trinity College, Cambridge, England** in the time it takes the clock to strike 12 at midday. The film shows one of the main characters performing the feat for the first time in history.

Great Court, Cambridge University

In 2007 Mulwaree set about having a challenging annual run established. Lacking an internal great court, the course was set as one lap of the school buildings.

Great athletes have competed in the Chariots and records have been set and broken. Plaques have been bolted to the Hall to remember superb athletes such as Rebecca Griffin, Edan Wheeldon, Mitch Cornish and Tom Chapman.

CHARIOTS – Week 10, Term 3.

Changing Of The Guard

On Friday 30th August the new Captains, Prefects and SRC for 2013/14 attended the induction ceremony. The ceremony was a success with the SRC and Prefect body presenting themselves in a sensible and orderly fashion. We were all honoured to be voted in by our peers to represent them and give them a voice in our school community. We all gained something from all the speeches especially Mrs Katherine Rainger's speech about leadership and making a change and we will continue to strive to make positive changes in our school community. We are ready for the challenges and successes that will come in the future and are ready to make a change.
