AG Club News

Ag Club has kicked off for the year with a lot of interest from students. We have had 2 afternoon meetings now and Renae Robertson, who bred our heifers, has come in both times to help us with their breaking in and brushing down. This is very generous of her as it is her only day off each week. The cows have overcome their initial fear of students (and visa versa) and the enthusiasm each afternoon has been an inspiration to both Mrs Holmes and Miss Heath. This week we also vaccinated and drenched the cattle for parasites.

Not all afternoons will be spent with the cattle – we have many different activities planned – so if you are interested, come and see either Miss Heath or Mrs Holmes in the Science/Ag staffroom.

As from Monday I have been employed as the support person for our Aboriginal and Torres Strait Islander students at Mulwaree High School.

This term I will be working with individual students, in conjunction with their parents and teachers, to develop Personalised Learning Plans for our new students and

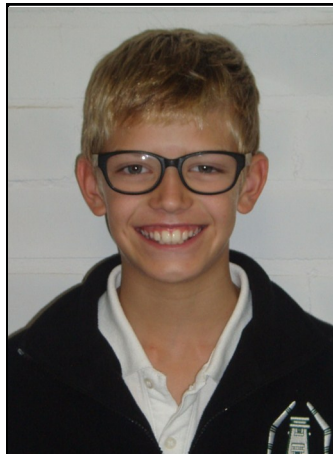

updating the existing plans for others. Once the PLP's are in place I will be assisting students to work towards fulfilling their academic and social potential.

National Close the Gap Day is on the 20th of March in 2014. It's Australia's largest Aboriginal and Torres Strait Islander health campaign. Mulwaree High school will be supporting this day by ensuring all our students are given the opportunity to receive the required vaccinations for better future health.

Exciting news - Mulwreee High School has made a commitment to be involved in the AIMA program. AIME gives Indigenous students the skills, opportunities, belief and confidence to grow and succeed. It is a program run by young Aboriginal and Torres Strait Islanders. More details coming soon.

I am looking forward to meeting parents and developing strong links with the greater community.

Mrs Northwood

Congratulations to Lachlan Gilbert of Year 7. Lachlan has made it through to the South Coast Swimming Team to compete in Homebush later this term. He has qualified in freestyle, breaststroke and backstroke. Outstanding effort!

Goulburn TAFE Children's Centre currently has vacancies for children aged 0-6 years in 2014.

The centre is a high quality long day care service / preschool, and is rated as *Exceeding the National Standard* for an early education and care service in all areas under the National Quality Framework.

To find out more about this award winning centre or to enrol your child please call Megan Short on 48 23 1853.

Year 7 Camp

Goss From The Boss

Mulwaree On Show is finally here! Mr Lieschke and Mrs Penning and their respective teams organised Friday's festivities, once again, in a co-ordinated manner. Over 200 of our students performed either through dance or music in three different venues. The COLA gave us options to move music outside, whilst acoustic music was played in

the Speech and Drama Room. The Hall was used for dance. Food stalls were available for dinner. This was a wonderful evening and truly a whole school effort. The greater impact was that 25% of our students performed. This, plus Mulwaree Rocks and Mulwaree Unplugged later in the year provides a forum for our Performing Artists to develop and showcase their talent. Our first co-ordinated steps towards implementing a Bring Your Own Device (BYOD) for technology began with a meeting of parents and students of 7 Peris last Thursday night. We have decided to trial this policy with one class over the next Term to streamline the policy.

Ultimately we will roll out student owned computer usage across Years 7, 8 and 9 by the beginning of 2015. Mr Stephens is co-ordinating the BYOD program and has searched out the best deals for laptops and tablets that fit the necessary requirements. Please don't go out and buy a new laptop for your child to use at school until you have checked with Mr Stephens. More on this to come!

Finally, last week a teacher from a NSW school has successfully sued a former student for defamation and won after he attacked her on Social Media. His comment was, "I never meant to defame her. It was never meant for public broadcast. This has really shaken me." This means that those who publish comments that attack a teacher or anyone else can now be held to account. Too many times we have had to deal with Social Media issues and unfortunately this extends to some parents. I would advise that everyone is careful with Social Media use. A little bit of common sense and common decency could certainly save a great deal of trouble.

Student Use of Mobile Phones

With the increasing misuse of mobile phones within the school, it has become necessary to change the school's policy. Some examples of misuse and time lost in terms of Teaching and Learning are as follows:-

- Students using phones to "set up" fights and to video these incidents. These are then placed on Facebook and YouTube.
- The impact this has on the school image and students' self esteem.
- No guarantee of student safety with people outside of school "invited" to attend and witness or involve themselves in these fights.
- Loss of teaching time dealing with phone issues in class or related to lost and stolen phones.
- Cyberbullying and time spent trying to sort out issues at school.
- Photographing of other students without approval.
- Exam malpractice.

THE FOLLOWING RULES NOW APPLY:

- Students are NOT to bring mobile phones to school.
- Mobile phones on excursion and sporting visits will be at the discretion of the organiser.
- This policy has been fully supported by the student SRC and the P&C Association of Mulwaree High School.
- Any need to contact students can be done through the front office of the school on 4821 4499.
- If a phone is sighted by a teacher, the phone will be confiscated. Parents will be asked to collect at the end of the week. NO NOTES WILL BE ACCEPTED.

Harriers is back

Harriers is an after school fitness group that is run on Monday and Thursday afternoons from 3.30 to 4.30 by the heroic Mr Armstrong. The group focuses on becoming the greatest Olympic Champions ever. Nah, just kidding. But we do try to improve our fitness in a fun and challenging environment. So come along and be a hero. #harrierspride

ANU Ambassadors

Every second Monday, students from ANU come to the library to help our students with free tutoring and assist with assessments or exams. If anyone would like to take advantage of this service it is available after school commencing Monday 17th February and continuing fortnightly. Dates left for Term 1 are: March 17th and 31st.
